**RENEWED PETITION TO REVIVE UNDER 37 C.F.R. 1.137(b)**

Assistant Commissioner for Patents  
Washington, D.C. 20231

This Renewed Petition is in response to the 20 October 2000 Decision on Petition to Revive Abandoned Application under 37 C.F.R. 1.137(b) ("the Decision"). This Decision was issued in response to the applicants' Petition to Revive filed on 14 January 2000 ("the first Petition").

In the Decision, the first Petition was dismissed because, according to the Decision, the first Petition did not unambiguously state that the "entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional." This statement appears below.

It is respectfully requested that the above-named application, be revived pursuant to 37 C.F.R. 1.137(b) as a pending application.

As acknowledged in the Decision, the applicants have previously filed the required reply.

The entire delay in filing the required reply from the due date for the reply until the filing of this grantable renewed petition filed under 37 C.F.R. 1.137(b) was unintentional.

Please charge the fee required, under 37CFR 1.17(m), in connection with the filing of this Renewed Petition to Revive, to Deposit Account No. 04-1928 (E. I. du Pont de Nemours and Company). The applicants believe that this fee is \$1,240.00.
